550 000 € HAI
(Reference : 6112)

THE HOUSE / GARDEN FLOOR :

Living room with wood stove, dining room opening onto south-facing terrace, kitchen with covered terrace, shower room with WC, storage space and temperate wine cellar, nestled in the rock.

UPSTAIRS :

In the left wing: attic bedroom with shower room and WC. In the right wing: two bedrooms and two shower rooms and WC, a dressing room.

THE EXTERIORS AND OUTBUILDINGS :

The property is located on a plot of land arranged in terraces and gentle slopes, mostly wooded (above the house). There is a vegetable garden grown biodynamically, a greenhouse with solar watering, many fruit trees, but also, a rare occurrence, a private cave in the heart of the cliff. Under the terrace, a storage space also serves as a technical crawl space. Note the presence of water on the land (shallow borehole).

MORE DETAILS - +++ :

Double glazing (2021) - electric heating and wood stove - electricity redone in 2021 and installation of photovoltaic panels ensuring the autonomy of the house - 2 thermodynamic cumulus, one powered by panels - mains drainage.
